What session did you like best and why?

Personally, I liked the stories. You could tell Larry wasn't a fake or had no reason to lie. It really gave you a perspective of being in prison and what it's like. Did this program help you see things in a different way? Explain: really like.

Yes, it seemed like I was able to learn through his mistakes and his experiences.

Moving forward, do you think this program will help you to make good choices?

Yes:  No:  Maybe:  Not Sure:

Can you comment on this?

It made me more aware of who I should surround myself with and take a good, hard look at who my friends really are. Would you recommend this program to a friend and why?

Yes, I would really recommend it to people who are just coming out of jail, to make sure they don't forget why and how to stay free. What did you think of the instructor and why?

Excellent stories and real-life situations. Was honest and blunt, which I think has a big impact on the ability to relate. How can we improve the program?

Get more people involved.

Was an awesome seminar!
