What session did you like best and why?

2, because it shows ~~and~~ what can really happen when you fuck up.

What did you think of the Instructors and why?

Very informative not someone telling you what to do. He also knows what its like to lose everything

Did this Program help you see things in a different way? Explain:

yes it did. It shows how something so small can turn around at any minute and bite you in the ass

What would you like to see different in this Program?

nothing really i think its good how it is
