What session did you like best and why?

“What prison is really like?”

It helped me understand that prison is a lot worse than you think. And the stuff I'm doing bad right now isn't worth going there.

What did you think of the Instructors and why?

He is a cool and respectable man. He has been through a lot and he can explain a lot about it in a way where it touches the bad kids of today.

Did this Program help you see things in a different way? Explain:

Yes, because the way the instructor explained why and how things don't turn out right if you keep going down the wrong road.

What would you like to see different in this Program?
