What session did you like best and why?

The entire program was excellent. Full of truthful knowledge, that all these bad ass kids need to know.

What did you think of the Instructors and why?

I think the instructor was great. these kids need to see ^{where} ~~what~~ the decisions they are making now can lead them.

Did this Program help you see things in a different way? Explain:

Yes! The program let me see things differently, it let me see even more that these kids just need someone to listen to them and understand how they are and why.

What would you like to see different in this Program?

Nothing! This is a great program. this needs to be given to schools on a much larger level to get this message out to large audiences!

Very informative!!

Keep it up.
